1510 – 1520 Break

1520 – 1535 HOTY

1535 – 1550 Final comments from ARES Officials

1550 – 1555 Grand Prize

Theme: Emergency Communicators/Emergency Coordinators. Communications during emergencies or disasters may stretch our comfort zone. During times like this, we are not just Hams, but emergency communicators. As such, we may be called upon to augment other aspects of public safety communications. The Statewide Interoperability Coordinator (SWIC) from GEMA will discuss real world disaster communications and the various (ACU1000, Satellite, 800MHz) non-Ham communications we may be called upon to assist with.

Proposed additional displays:

GEMA and/or GSP communications vehicles

Other County communications vehicles

Notes:
